us in essential matters, but instruction for God's specific, daily purposes for our lives comes from His Holy Spirit, who lives within us. Being able to hear from God is a growing, deepening process that leads us into His perfect plans. How do I know it's God? is one of the most commonly asked questions of new and mature Christians alike, and the aim of God Conversations is to both equip and inspire the reader and show them that hearing the voice of the Spirit is accessible to everyone who chooses to follow Jesus. Most

Christians know that God speaks, yet struggle with how to recognise his voice in their everyday lives. What does God's voice sound like? How do we know if what we're hearing is from God? Stories of God talking to his people abound throughout the Bible, but we usually only get the highlights. We read; "And God said to Joseph; 'Go to Egypt'," and then; "Mary and Joseph left for Egypt." We don't get a blow-by-blow description of how God spoke. We don't receive a detailed explanation of how they knew it was God, and we don't get to see what was going on inside their heads as they acted on what they'd heard. In *God Conversations*, international speaker and pastor Tania Harris shares insights from her own journey about hearing God's voice. You'll get to eavesdrop on some contemporary conversations with God in the light of his communication with the ancient characters of the Bible. Part memoir, part teaching, this unique and creative collection of stories will help you to recognise God's voice when he speaks and how to respond when you do. *Learn How to Hear Gods Voice, Even When You Are Sleeping* On average, people spend 33% of their entire lives sleeping. Even when you are asleep, Heaven is still communicating. Your spirit is still awake, though your body is not. Through your dreams, you can hear and discern the voice of God. Through revelatory teaching, supernatural stories, and a refreshing, down-to-earth approach, Mark Virkler and his daughter, Charity Virkler Kayembe, will help you learn how to begin hearing Gods voice through your dreams. *Discover how: Your dreams are bridges that connect you with the supernatural realm* Visions and dreams are Biblically sound and relevant for your life, today Dreams access and unlock divine creativity that is deep within you Bad dreams can be transformed into blessings You can interpret dreams using proven tools and Biblical techniques The meaning of personalized symbols in your dreams can be unlocked Dont miss out on what God is saying to you while youre sleeping. *Start Hearing God Through Your Dreams today!* God is speaking. Are you listening? As you open your spiritual "ears," you will learn to determine which channels God is using to broadcast his intentions. Discover how to discern his specific versus his general voice, recognize the multiple ways he communicates, and draw closer to him by reading his Word. As believers in Jesus Christ, we naturally want to know how we can hear God's voice. Does God speak? Is He speaking to you? The good news is, yes, He is speaking. And like a radio host broadcasting His voice into the airwaves, God speaks all the time. The question is, are we tuned in to the right frequency? God communicates with us in multiple ways, whether through the Bible, through circumstances, or even through a whisper. Pastor Robert Morris demonstrates how we can grow in our faith, maturing from sheep hearing

His voice to hearing it as His friend or even as a prophet. When we begin to understand the general and specific ways God speaks to us, then we can begin to cultivate a life of deeper connection with our Creator. In *Frequency*, you will:

- Gain a better understanding of how to recognize God's voice
- Discern the general voice of God from the specific voice of God
- Grow in your relationship with the Lord by developing consistent time in His Word
- Value the voice of the Lord and enjoy drawing closer to your Creator

*Frequency* will demystify the process of hearing God and take you to a new level in your faith.

"Loren Cunningham's dream began with a vision--waves of young people moving out across the continents announcing the Good News of Jesus Christ. Decades later, Loren's vision has grown into an interdenominational movement of Christians from around the world who are dedicated to presenting the gospel to this generation. Loren speaks and teaches internationally, and his missionary travels have taken him to every nation on earth. Loren Cunningham illustrates that trusting God in every area, including finances, is not just for those Christians called into "full-time" ministry. Every Christian, regardless of vocation, can enter into the adventure of living by faith by firmly committing to obey God's will. A Christian who has experienced God's provision will be spoiled for the ordinary. Kim Clement has had many critics over the years, but the movers and shakers in the world are sitting up and taking notice of this out of the box prophet. In his new book, Kim shares some of the amazing stories of accurate prophecies that God has been giving him. The personal words shared with individuals in his meetings are incredible enough, but the words he has been given on a national and even worldwide scale lift him into a realm not shared by many. His passion expressed here is to make it clear that anyone can hear and be the voice of God in the earth. *Hearing God in Poetry* is a lovely Lent book for 2022 from Richard Harries, that reflects on how some of the best-loved poems in the English language communicate a sense of God's presence. Every day, we hear dozens of outside opinions: from our spouses and our family members to our coworkers and our church community, but how can we shift our focus away from the clamor of other voices so we don't miss what God is trying to tell us? *How to Listen to God* helps you distinguish God's voice from all the rest. Bestselling author Dr. Charles Stanley shares the lessons he's learned on his own journey to listening to the God who wants to communicate personally with you, including:

- The importance of your own spiritual mindset
- Scriptural guidelines for recognizing God's voice
- The joys and fruits from listening to God
- Ten hindrances to hearing God

Along the way, you'll learn firsthand that just a few minutes of sitting before the God who speaks can transform a life, refocus a mind, and reset purpose and direction for eternity. The sad heart is cheered, the confused

mind is ordered, the pessimistic outlook is eliminated, the lonely spirit is befriended, the rebellious will is subdued, and the drifting seeker is made steadfast. Join Dr. Stanley as he shows us that we've never been more equipped to confidently hear from God. How to Listen to God will teach you that God's voice waits to be heard and, when we've finally heard it, we're launched into the greatest, most exciting adventure we could ever imagine. Outlines for readers ways to hear and comprehend the voice of God, explaining how to listen and respond in obedience while considering God's unique and personal methods for communicating in ways that are consistent with biblical teachings. Nothing could possibly matter more than learning to discern the authentic voice of God, but few things in life are more susceptible to delusion, deception and downright abuse. When life falls apart and we need God's comfort; in moments of cultural turmoil when we need God's clarity; facing formidable decisions when we need God's guidance; desiring a deeper faith when we need God to say something, anything, to turn the monologue we call prayer into a genuine conversation. Having addressed God's silence in *God on Mute*, and then *How to Pray* in his previous bestseller, Pete Greig is back to bring wisdom and guidance to one of the most pressing and perplexing aspects of universal Christian experience - *How to Hear God*. Exploring the story of Christ's playful, poignant conversation on the road to Emmaus, Pete draws deeply from the insights of a wide range of Christian traditions. He weaves together the evangelical emphasis upon hearing God in the Bible, and the charismatic commitment to hearing God in the prophetic, with the contemplative understanding of God's 'still, small voice' within. Hearing the voice of God. We are living in such critical times today that it is imperative for believers to learn to use every tool given to us by the Holy Spirit. We are called to be kingdom influencers--to discern the times in which we live, to discern the moves of the Holy Spirit, and to discern angels and demons. With extensive expertise and personal experience, prophetic leader Jane Hamon takes a deep dive, biblically and practically, into one of the least known and most unused gifts of the Holy Spirit, covering the following topics: - discerning the presence of God - discerning the times - discerning angels and demons - discerning the hearts of people around you - acting wisely with what you discern - walking in wisdom and balance - and more This book will help you operate in greater spiritual authority and walk in wisdom as you help build God's kingdom on earth. In a world rapidly moving toward secularity, where violence and tragedy have seemed to join forces with loneliness and relational abandonment, does God still hear and answer prayer? *Hearing God in a Noisy World* answers with a resounding "Yes!"

**If You Believe Miraculous Gifts Have Ceased, You're in for a Big Surprise!** What caused a former Dallas Seminary professor to

believe that the miraculous gifts of the Holy Spirit are being given today? What convinced someone skeptical about miracles that God still speaks and heals? A dramatic change took place in Jack Deere's life when he took a fresh look at the Scriptures. He discovered that his arguments against miraculous gifts were based more on prejudice and lack of personal experience than on the Bible. As soon as Deere became a seeker instead of a skeptic, the Holy Spirit revealed himself in new and surprising ways. In *Surprised by the Power of the Spirit*, Deere provides a strong biblical defense for the Spirit's speaking and healing ministries today. He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way. Finally, he gives sound advice for using spiritual gifts in the church. Written in a popular style, with the care of a scholar but the passion of personal experience, this book explores: - The real reason Christians do not believe in miraculous gifts - Responding to Charismatic abuses - Were miracles meant to be temporary? - Why God still heals " 'Must' reading for all Bible-believing Christians. I wish with all my heart I could place it in the hands of every conservative evangelical." - James Robison, Life Outreach International

relationship is communication—but conversation with God often seems to go only one way. We may sing of walking and talking with God in the garden, His voice falling on our ears, but few have heard that beloved voice themselves. Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition: God is always speaking—we've just never been taught how to recognize His voice. Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor. This book deftly bridges the gap between solid biblical theology and practical application, addressing topics such as how to truly pray without ceasing, how to brainstorm with God, how to navigate our emotions, how to answer God's questions, and how to hear God's voice for others. *Hearing God in Conversation* offers simple, step-by-step lessons on how to hear God. Williamson begins with Scripture meditation. He then expands the practice of listening for that voice everywhere—in the checkout line, on the job, in a movie theater, and even in silence. From there, he demonstrates how to hear God's guidance when making any decision. By the end, readers' eyes and ears will be opened to the limitless methods through which God speaks.

God is speaking to you—today. Grow in assurance that he wants you to hear. What does the Bible say about dreams? Does God actually speak to us through them?
