Brothers Pablo and Carlitos write letters to the three kings, telling them the gifts they want to receive on Three Kings' Day. Includes facts about Christmas and Three Kings' Day. Long, long ago, a very special star appeared in the night sky. It shone more brightly than all the other stars. Three wise men called Melchior, Casper and Balthasar decide

to journey west, following the star to a very special destination. Begin each Spanish class with lively, interactive activities from award-winning foreign-language teacher Rebekah Stathakis. With ideas for writing and speaking exercises, impromptu presentations, and more, these warm-ups will immerse students in Spanish, engaging them in their language instruction effectively and immediately. "Un coquí de Boriquén con los Reyes a Belén" es la historia de un coquí mágico que acompañó a una niña puertorriqueña a la primera Navidad. En agradecimiento, los Reyes le prometen encontrar anualmente a cada niño de su país, en o fuera de Puerto Rico, siempre que los llame el cantar de un coquí. Dirigido a todos los niños puertorriqueños, y en particular a los de la diáspora, el libro le explicará a los más chicos, con un cuento divertido en rimas, cómo los Reyes logran encontrar su hogar, vivan ellos en San Juan o Nueva York, en Orlando o Juana Díaz. Mantenga viva la tradición de los Tres Reyes para esta y futuras generaciones de niños boricuas. El libro contiene el texto de la historia en español y traducido al inglés. /// "From Boriquén to Bethlehem: A Coquí and the Three Wise Men" is the story of a magical coquí (a tree frog native to Puerto Rico), who traveled with a young Puerto Rican girl and the Magi to the first Christmas. In gratitude, the Kings promise the girl to yearly visit the children of Puerto Rico, and to find them wherever they may be if they hear the call of a coquí. Geared toward Puerto Rican children, and in particular those living outside of the island, mainly in the U.S., the fun rhyming story explains how the Magi are able to find children's homes, be it in San Juan or in New York, in Orlando or in Juana Díaz. Keep the Three Kings tradition alive for present and future generations. The book contains the text of the story in Spanish and in English translation. Contains roughly 850 entries on both major and minor authors, themes, genres, and topics of Spanish literature from the Middle Ages to the present day. Describes the growing diversity within national borders, the increasing interdependence among nations, and the myriad impacts of Spanish literature across the globe. This title is part of

UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1954. It is an attempt to capture a more comprehensive view of medieval Spain's perceptions of magical practice in order to determine why Spain did not explode into Witchcraze, as occurred in so many other European regions when the Middle Ages slipped into the Renaissance." Up-to-date coverage of more 170,000 words and phrases, and 240,000 translations, as well as notes on the life and culture of countries of the Spanish-speaking world, are provided in an authoritative, concise dictionary. Richly varied collection of 10 plays from 16th through 20th centuries. The Vigilant Sentinel by Miguel de Cervantes; Fuente Ovejuna by Lope de Vega; Life Is a Dream by Pedro Calderon de la Barca; Blood Wedding by Federico García Lorca, 6 more. Preface by John Gassner. Introduction and notes on each play. dePaola's beloved 1983 classic returns to print just in time for the holiday season! Three wise men of the East, having seen a new star symbolizing the birth of a great king, follow the star to Bethlehem where they present gifts to the newborn Jesus. This beautiful rendition of the well-known tale is sure to delight young readers. This three-volume encyclopedia describes and explains the variety and commonalities in Latina/o culture, providing comprehensive coverage of a variety of Latina/o cultural forms—popular culture, folk culture, rites of passages, and many other forms of shared expression. In the last decade, the Latina/o population has established itself as the fastest growing ethnic group within the United States, and constitutes one of the largest minority groups in the nation. While the different Latina/o groups do have cultural commonalities, there are also many differences among them. This important work examines the historical, regional, and ethnic/racial diversity within specific traditions in rich detail, providing an accurate and comprehensive treatment of what constitutes "the Latino experience" in America. The entries in this three-volume set provide accessible, in-depth information on a wide range of topics, covering cultural traditions including food; art, film, music, and literature; secular and religious celebrations; and religious beliefs and practices. Readers will gain an appreciation for the historical, regional, and ethnic/racial diversity within specific Latina/o traditions. Accompanying sidebars and "spotlight" biographies serve to highlight specific cultural differences and key individuals. Serves as an ideal resource for research that succinctly overviews myriad topics relating to Latina/o cultural traditions that general readers and high school students will find accessible and easy to use. Places Latina/o traditions within a historical context to deepen comprehension of Latina/o culture. Provides an exploration of identity, terms, and labels as well as sidebars, "spotlight" biographies, primary documents, and suggestions for additional information. Early modern Spain was a global empire in which a startling variety of medical cultures came into contact, and occasionally conflict, with

one another. Spanish soldiers, ambassadors, missionaries, sailors, and emigrants of all sorts carried with them to the farthest reaches of the monarchy their own ideas about sickness and health. These ideas were, in turn, influenced by local cultures. This volume tells the story of encounters among medical cultures in the early modern Spanish empire. The twelve chapters draw upon a wide variety of sources, ranging from drama, poetry, and sermons to broadsheets, travel accounts, chronicles, and Inquisitorial documents; and it surveys a tremendous regional scope, from Mexico, to the Canary Islands, the Iberian Peninsula, Italy, and Germany. Together, these essays propose a new interpretation of the circulation, reception, appropriation, and elaboration of ideas and practices related to sickness and health, sex, monstrosity, and death, in a historical moment marked by continuous cross-pollination among institutions and populations with a decided stake in the functioning and control of the human body. Ultimately, the volume discloses how medical cultures provided demographic, analytical, and even geographic tools that constituted a particular kind of map of knowledge and practice, upon which were plotted: the local utilities of pharmacological discoveries; cures for social unrest or decline; spaces for political and institutional struggle; and evolving understandings of monstrosity and normativity. *Medical Cultures of the Early Modern Spanish Empire* puts the history of early modern Spanish medicine on a new footing in the English-speaking world.

Spanish Festivals and Traditions, KS3 is an invaluable and time-saving resource for teachers, providing intercultural ideas for every month of the year. Ideas vary from making cards and writing poems, to playing games and research projects. Introduces Spain's folk music and dance, such as flamenco, its art and architecture, holidays and festivals, and religions. Following the same format as the highly praised 1996-1999 edition, Schon presents critical annotations for 1300 books published between 2000 and 2004, including reference, nonfiction, and fiction. One section is devoted to publishers' series, and an appendix lists dealers who carry books in Spanish. Includes author, title, and subject indexes. Bilingual story (English, Spanish) about the Three Kings' Day celebration in Puerto Rico. The story is narrated by one of the Magi's camel who has been lost for a year and is seeking help to get back to the Magi's for the celebration of the Epiphany. A dictionary suitable for English and Spanish speakers at all levels of proficiency, this volume contains over 100,000 entries, with examples of usage including many chosen to help users express themselves in a fluent style. Offers a variety of activities for teaching the Spanish language for Elementary schools Latino folklore comprises a kaleidoscope of cultural traditions. This compelling three-volume work showcases its richness, complexity, and beauty. • 300 A-Z entries that describe the myriad topics of Latino folklore • Contributions from distinguished scholars from across the United States • Photographs, paintings, and documents that supplement and enhance the essays • A short bibliography of suggested readings accompanies each essay This beautifully illustrated poem voices the excitement of Three Kings' Day from a child's perspective. Each verse explores the emotions,

traditions, delicacies, and activities of a holiday that is widely celebrated throughout the Spanish-speaking world. Why buy our paperbacks? Standard Font size of 10 for all books High Quality Paper Fulfilled by Amazon Expedited shipping 30 Days Money Back Guarantee BEWARE of Low-quality sellers Don't buy cheap paperbacks just to save a few dollars. Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. How is this book unique? Unabridged (100% Original content) Font adjustments & biography included Illustrated About The Gift of the Magi By O. Henry "The Gift of the Magi" is a short story, written by O. Henry (a pen name for William Sydney Porter), about a young married couple and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson about gift-giving, it has been a popular one for adaptation, especially for presentation at Christmas time. The plot and its "twist ending" are well-known, and the ending is generally considered an example of comic irony. It was allegedly written at Pete's Tavern on Irving Place in New York City. BASIC SPANISH FOR TEACHERS is a career manual designed to serve those in the teaching professions who seek basic conversational skills in Spanish. Written for use in two-semester or three-quarter courses, it presents everyday situations that teachers could encounter in various work settings (public and private elementary, middle, and high schools) when dealing with Spanish speaking students and parents/guardians in the United States. BASIC SPANISH FOR TEACHERS introduces practical vocabulary, everyday on-the-job situations, and culture notes (Notas culturales) written from a cross-cultural perspective. It provides students with opportunities to apply, in a wide variety of practical contexts, the grammatical structures presented in the corresponding lessons of the Basic Spanish core text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. First published in 1961, A New History

of Spanish Literature has been a much-used resource for generations of students. The book has now been completely revised and updated to include extensive discussion of Spanish literature of the past thirty years. Richard E. Chandler and Kessel Schwartz, both longtime students of the literature, write authoritatively about every Spanish literary work of consequence. From the earliest extant writings through the literature of the 1980s, they draw on the latest scholarship. Unlike most literary histories, this one treats each genre fully in its own section, thus making it easy for the reader to follow the development of poetry, the drama, the novel, other prose fiction, and nonfiction prose. Students of the first edition have found this method particularly useful. However, this approach does not preclude study of the literature by period. A full index easily enables the reader to find all references to any individual author or book. Another noteworthy feature of the book, and one omitted from many books of this kind, is the comprehensive attention the authors accord nonfiction prose, including, for example, essays, philosophy, literary criticism, politics, and historiography. Encyclopedic in scope yet concise and eminently readable, the revised edition of *A New History of Spanish Literature* bids fair to be the standard reference well into the next century. This encyclopedic text focuses on the nature of Hispanic dialects, the spread of Spanish, and contemporary Spanish dialects in the Americas. *Spanish Voices* is a two-part series designed to provide learners with an opportunity to hear and study authentic Spanish as it is spoken by native speakers from around Latin America and Spain. Unlike the scripted materials read by voice actors used in many course books, *Spanish Voices* offers dozens of audio essays spoken naturally and off-the-cuff. The materials in the books are designed to help you improve your listening skills and expand your vocabulary in Spanish. Bonus: The MP3s can be downloaded for free from our website, where you can also find interactive flashcards, quizzes, and games, as well as links to further listening and reading practice on the topics presented in the segments (audio essay chapters).

Each segment consists of: 1) True or False and Multiple Choice exercises to sharpen your listening skills and increase how much you can understand, whatever your level. 2) Vocabulary and Translation exercises to help you expand your vocabulary and improve your understanding of Spanish collocations and grammar. 3) In-chapter answers to the exercises (no having to flip back and forth to the back of the book). 4) Verbatim transcripts of the audio with side-by-side English translations. 5) Lined sections for note-taking and recording new vocabulary. Briefly explains the meaning of Three Kings Day and introduces popular traditions and activities associated with it. IMÁGENES, Third Edition, takes a functional, integrated skills approach specifically designed to help students develop receptive and productive skills simultaneously that are critical in learning Spanish. When using IMÁGENES students acquire communicative skills while gaining an awareness of Hispanic cultures. The program's practical, relevant themes, lively practice, and engaging technology components get learners communicating early and confidently. The exciting new third edition will contain a greater focus on the cultures of Spanish-speaking countries and have two new video blogs in each chapter to provide input of chapter functions and vocabulary. IMÁGENES will keep students motivated as they learn and explore the many cultures of Spanish-speaking world. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Whether you call your January 6th celebration El Día de los Reyes or the Feast of the Epiphany, you're celebrating a day dedicated to the three kings. Sometimes called the three wise men or the magi, these figures are part of the Christmas story and often appear in nativity scenes during this time of year. In some places, they're more important than Santa Claus. In this volume, readers discover the history of the three kings' story as well as how they are celebrated in cultures around the world today. The 16th and 17th centuries were the most fruitful periods for Spanish literature. The Golden Age of Spanish drama extends from the close of the 15th century to the death of Calderon in 1681.

During that time, Spanish playwrights looked to Italy for inspiration, but from the beginning they sought to avoid slavish imitation of classical and Italian drama. Instead, these playwrights attempted to give Spanish drama its own identity. This reference includes alphabetically arranged essays for 19 of the most important Spanish dramatists of the Golden Age. Each essay provides extensive biographical information, a critical discussion of the playwright's dramatic production, a critical analysis of one major play, and a bibliography of primary and secondary sources. The volume closes with a selected general bibliography on the most important drama of this period. CultureShock! Spain is the definitive manual for adjusting to life in Spain. Not only does it translate local customs and culture and warn against making any social faux pas, but it also provides practical information to enable readers to live and work in Spain with ease. Understand the Spanish love of socialising and take part in the ritual evening paseo. Learn the concept behind the term mañana and how best to adapt your daily life to all that mañana entails. Discover the A-Z of Spanish food, the famous tapas culture and how best to fit in with Spaniards' late eating hours. On a practical level, check the documents needed for opening a Spanish bank account, the do's and don'ts in the workplace and how to address locals without giving offence. Written from an outsider's perspective, CultureShock! Spain is all you'll need for life in Spanish society.
