Vol. 100, No. 2 Reflecting hands-on experience of materials, equipment, tooling and processes used in the industry, this work provides up-to-date information on flat-rolled sheet metal products. It addresses the processing and forming of light-to-medium-gauge flat-rolled sheet metal, illustrating the versatility and myriad uses of this material. SURPLUS RECORD, is the leading independent business directory of new and used capital equipment, machine tools, machinery, and industrial equipment, listing over 95,000 industrial assets; including metalworking and fabricating machine tools, chemical and

process equipment, cranes, air compressors, pumps, motors, circuit breakers, generators, transformers, turbines, and more. Over 1,100 businesses list with the SURPLUS RECORD. November 2022 issue. Vol. 99, No. 11

The presence of African influence and tradition in the Americas has long been recognized in art, music, language, agriculture, and religion. T. J. Desch Obi explores another cultural continuity that is as old as eighteenth-century slave settlements in South America and as contemporary as hip-hop culture. In this thorough survey of the history of African martial arts techniques, Obi maps the translation of numerous physical combat techniques across three continents and several centuries to illustrate how these practices evolved over time and are still recognizable in American culture today. Some of these art traditions were part of African military training while others were for self-defense and spiritual discipline. Grounded in historical and cultural anthropological methodologies, Obi's investigation traces the influence of well-delineated African traditions on long-observed but misunderstood African and African American cultural activities in North America, Brazil, and the Caribbean. He links the Brazilian martial art capoeira to reports of slave activities recorded in colonial and antebellum North America. Likewise Obi connects images of the kalenda African stick-fighting techniques to the Haitian Revolution. Throughout the study Obi examines the ties between physical mastery of these arts and changing perceptions of honor. Including forty-five illustrations, this rich history of the arrival and dissemination of African martial arts in the Atlantic world offers a new vantage for furthering our understanding of the powerful influence of enslaved populations on our collective social history. T. J. Desch Obi received his doctorate in African history from the University of California, Los Angeles. His research focuses on historical ethnography, which he explores through the lens of African and African diaspora martial arts. He is currently an assistant professor of African and African diaspora history at the City University of New York's Baruch College. Each issue includes also final data for preceding month. "Microsoft's last Windows version, the April 2018 Update, is a glorious Santa sack full of new features and refinements. What's still not included, though, is a single page of printed instructions. Fortunately, David Pogue is back to help you make sense of it all--with humor, authority, and 500 illustrations."--Page 4 of cover. Just as the Beetle started a long tradition of Volkswagen automotive excellence, these are the manuals that created the Bentley reputation for clarity, thoroughness, and indispensability. Our air-cooled Volkswagen manuals provide both do-it-yourself owners and professional mechanics with clear explanations and illustrations, detailed service steps, and time-saving troubleshooting tips. This book features full wiring diagrams (including 6-volt systems), convertible top repair, carburetor rebuilding (30 PICT-1 and 30 PICT-2) and

comprehensive specifications and troubleshooting tables for every year and model. Unlock the secrets and share in the knowledge that has educated generations of Jedi—from the history and hierarchy of the Jedi Order to the mastery of the Force and the nuances of lightsaber combat. Handed down from Master to Padawan, each Jedi who has held and studied this copy has annotated the pages—adding his or her personal experiences and lessons they've learned. This copy is now passed to you.
