Emiel Steegman, an unknown writer with a handful of novels to his name, is seeking a way to escape a dinner with Estonian colleagues. Although things are plodding along quite happily, he cancels at the last moment "due to a rather difficult time for the family". A nasty feeling immediately comes over him: is he inviting trouble for his family in doing so? And what if a biographer stumbled on this? Would he not then suspect that something significant had happened in his life? The thought gives him a great idea for a new novel about a successful author, T, who becomes famous with an existential crime novel and increasingly worries about what his future biographer will write about him, so he withdraws entirely from public life. But Steegman's initial misgivings prove well founded. Because fate does strike. One afternoon, his daughter Renée falls asleep and it is impossible to wake her . . . From "one of the most exciting breakout novelists" (USA TODAY) comes the first novel in an irresistible new series—a spin-off of the bestselling Marriage to a Billionaire series—featuring a matchmaker who falls for a man who doesn't believe in love. In charming Verily, New York, Kate Seymour has a smashing success with Kinnections, the matchmaking service she owns with her two best girlfriends. But Kate's more than a savvy businesswoman: She's gifted with a secret power, a jolting touch that signals when love's magic is at work. It rocked her when she picked up a strange volume of love spells in the town's used bookstore...and it zapped her again when she encountered Slade Montgomery, the hot-tempered— and hot-bodied—divorce lawyer who storms into Kinnections demanding proof that playing Cupid won't destroy his vulnerable sister, Kate's newest client. The only way to convince this cynic that she's no fraud, and that love is no mirage, is for Kate to meet his audacious challenge: find him his dream woman. Can Kate keep their relationship strictly business when her electrifying attraction nearly knocked her off her feet? Or has the matchmaker finally met her match? Explores the hidden world of very small creatures that live around us and even inside us, including fleas, bedbugs, itch mites, and more. Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Two years later, he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New York, I had picked up a thing or two since Jax walked away. I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew

exactly what I was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground—but this time, I knew the rules of the game.
