Eighties People May 26 2022 Through an examination of 1980s America cultural texts and media, Kevin L. Ferguson examines how new types of individuals were created in order to manage otherwise hidden cultural anxieties during the American 1980s. Exploring a variety of strategies for fashioning self-knowledge in the decade, this book illuminates the hidden

lives of surrogate mothers, crack babies, persons with AIDS, yuppies, and brat packers. These seemingly simple stereotypes in fact concealed deeper cultural changes in issues relating to race, class, and gender. Through a range of texts, *Eighties People* shows how the commonplace reading of the 1980s as a superficial period of little importance disguises the decade's real imperative: a struggle for self-definition outside of the limited set of options given by postmodern theorizing.

Great Dragon Fantasy, The: A Lacanian Analysis Of Contemporary Chinese Thought Dec 21 2021 China has undergone a unique path of development in the post-Maoist era. Especially, the last decade witnessed China's rapid rise to economic wealth and superpower status vis-à-vis the severe developmental predicaments of the West (financial crises, socio-

political turbulences, etc.). This book analyzes how the leading Chinese thinkers understand China's prosperity and rapid development today, and whether there is any hidden mechanism that has been playing a crucial role of forming contemporary Chinese thinkers' shared passionate endeavor of resuscitating classical Chinese ideas, and thus shows how the fervor for discovering “essential characteristics” of Chinese thought reveals a hidden psychological mechanism.

Contemporary Japan Sep 05 2020 Contemporary Japan: History, Politics and Social Change since the 1980s presents a comprehensive examination of the causes of the Japanese economic bubble in the late 1980s and the socio-political consequences of the recent financial collapse. Represents the only book to examine in depth the turmoil of Japan since Emperor Hirohito died in 1989, the Cold War ended, and the economy collapsed Provides an assessment of Japan's dramatic political revolution of 2009 Analyzes how risk has increased in Japan, undermining the sense of security and causing greater disparities in society Assesses Japan's record on the environment, the consequences of neo-liberal reforms, immigration policies, the aging society, the US alliance, the Imperial family, and the 'yakuza' criminal gangs Selected as a 2011 Outstanding Academic Title by CHOICE *History of the Eighties* Aug 29 2022

The Death Penalty in the Eighties Sep 29 2022 A provocative examination of the most recent shift in court opinion that, in effect, works to expedite the administration of death

sentences.

How Should Developing Countries Adjust to External Shocks in the 1980s? Apr 24 2022

Born Again! May 14 2021 In this scintillating sequel to *Sabotage!* Black Sabbath in the Seventies, Martin Popoff blows up the kaleidoscopic narrative of the Sabs over the ensuing twenty years, dissecting each and every of the band's ten studio albums and two (and-a-half) live albums produced over that time period. So this is the book where we hear the gripes, snipes, swipes and thumbs-up likes from Ronnie James Dio, Ian Gillan, Glenn Hughes, Tony Martin and finally once more Ozzy Osbourne, as they remark upon this institution coddled by the anchor of the band Tony Iommi, who valiantly held Black Sabbath together through many years of blood, sweat and Tyrs. Heaven and Hell, Mob Rules, Live Evil, Born Again, Seventh Star, The Eternal Idol, Headless Cross, Tyr, Dehumanizer, Cross Purposes, Forbidden and finally, extensively broken down, Reunion... they're all here, song by song, the hirings and the firings highlighted and explained. Incorporating talk from over 60

interviews conducted with band members and other relevant parties over 25 years, make no mistake-this is the most in-depth examination of the band during this timeframe ever executed. So come one and all, re-love modern-era Black Sabbath all over again-you'll be pleasantly surprised at how much dastardly doom there is from Tony Iommi that you need to know and embrace once again.

History of the Eighties--lessons for the Future: An examination of the banking crises of the 1980s and early 1990s Dec 01 2022 A study by the FDIC staff to examine and analyse the banking crisis of the 1980s and 1990s.

An Examination of Declining UI Claims During the 1980s Oct 26 2019

Politics and Economics in the Eighties Nov 19 2021 Is the federal budget deficit a result of congressional deadlocks, gross miscalculation of economic trends, or a Republican strategy to tie the budgetary hands of future Democratic leadership? To what extent does the partisan split between Congress and the executive branch constrain the president's agenda? In this volume, political scientists and economists tackle these and many other contentious issues, offering a variety of analytical perspectives. Certain to provoke controversy, this interdisciplinary volume brings together policy experts to provide a coherent analysis of the most important economic policy changes of the 1980s. Through a detailed examination of voting patterns, monetary and fiscal policies, welfare spending, tax reform, minimum wage legislation, the savings and loan collapse, and international trade policy, the authors explore

how politics can influence the direction of economic policymaking.

America in the Eighteen-eighties Aug 24 2019

Aladinma Aug 17 2021 The life of a public servant's kid in Aladinma, a quiet neighborhood in Imo state's capital city of Owerri in Nigeria. As expected from a religious and hardworking family, the kid imbibes the family values and grows with the resilience needed to navigate the changing times from analogue to a digital age. In all his learnings though, nothing prepared him for the fight brewing inside a Dallas courtroom in a US federal criminal trial against a copyright thief where his character and resilience will be tested to the limit.

Managing the Crisis Feb 29 2020 Deals with the result of a study conducted by the FDIC on banking crisis of the 1980s and early 1990s. Examines the evolution of the processes

used by FDIC and RTC to resolve banking problems, protect depositors and dispose of the assets of the failed institutions.

Pushing the Boundaries: Cricket in the Eighties Sep 17 2021 Derek Pringle is finally ready to tell his story of cricket in the 80s. First chosen by England whilst still at university in 1982, Derek featured in the national side for the next 11 years. He played 30 Tests, 44 One Day Internationals, and appeared in 2 World Cups. Inside the dressing room, and out on the pitch, Derek witnessed at first hand an era of English cricket populated by characters such as Botham, Gooch, Lamb, and Gower. An era so far removed from today's rather anodyne sporting environment. And it wasn't just at international level that the sport lived life to the full. He was an integral part of Essex's all conquering side that won the County Championship 6 times as well as numerous one day trophies. Full of insight and experience here is the story of one of English cricket's most tumultuous periods told by someone who was there.

Pushing the Boundaries: Cricket in the Eighties Jan 22 2022 Derek Pringle is finally ready to tell his story of cricket in the 80s.
