later than any devices to read.

The celebrated poet hailed by Ursula K. Le Guin as a "storyteller, truth-teller, and visionary" gives us a mesmerizing new collection of poems that are funny, wise, moving, and surprising. How many gods can dance on the head of Lorna Crozier's pen? The poet Lorna Crozier has always been brilliant at fusing the ordinary with the other-worldly in strange and surprising ways. Now the Governor General's Literary Award-winning author of *Inventing the Hawk* returns with *God of Shadows*, a wryly wise book that offers a polytheistic gallery of the gods we never knew existed and didn't know we needed. To read these poems is to be ready to offer your own prayers to the god of shadows, the god of quirks, and the god of vacant houses. Sing new votive hymns to the gods of horses, birds, cats, rats, and insects. And give thanks at the altars of the gods of doubt, guilt, and forgetting. What life-affirming questions have these deities come to ask? Perhaps it is simply this: How can poems be at once so profound, original and lively, and also so much fun? Examines the laws, histories, prophecies and wisdom of the ancient biblical writers and discusses their views on justice, hierarchy, war, the authority of kings and priests and the experience of exile. Emma is torn between her passion for Julian and her need to protect him from the consequences of a forbidden romantic partnership, a situation challenged by her relationship with Mark and his efforts to regain his Shadowhunter capabilities. Joshua Wolfe has four sworn enemies: the Chitet cult, a power-mad baron, the Federation government, and the alien "virus" that is slowly invading the known universe. And he has one hope: the Ur-Lumina, the legendary power-enhancing crystal of the vanished race, the Al'ar. But the Ur-Lumina is in the hands of a ruthless gangster. And Wolfe isn't on her good list at the moment . . . In the *Shadows of God*, Raven publicly and openly relives her journey through rejection, hurt, rape, negative self-image, sexual strongholds, and single motherhood, with the hope that other women will find strength in her transparency and faith in God. Raven recounts numerous times in her life, from childhood to adulthood, when she persevered through devastation, homelessness, heartbreak, and

interior and exterior struggles to arrive at the place of forgiveness, peace, and truth of God's unwavering love-the reality she lives in and shares with others today. From being abandoned by her mother, to becoming her mother's end-of-life caregiver, Raven now recognizes God never abandoned her and she has never been outside the shadows of God. The purpose of this book is to allow Gods eyes to search the inner man of the soul. The Word of God says the soul is the light of the Lord; he searches it down into the uttermost part of the belly (Proverbs 20:27). The eyes of the Lord are in every place beholding the evil and the good (Proverbs 15:3). This book represents a lifetime expression of trials and tribulations. These trials have been vital turning points in my life. When you begin to read these words, let each word penetrate your soul to the point of craving new visions and dreams and to resurrect your true potential for greater things in life. Allow the Holy Ghost will speak to you the way he spoke to me when I was at many crossroads in my life. Commit your life to him and he will begin to mold and shape your future as he did mine. For many times I could not understand what God was prophesying into my life but as the years passed I began to have a better revelation. My greatest desire is that you will trust in the leading of the Lord to bring you out of any situation and direct you to your destiny under the shadow of his wings. A tremendously vivid historical encounter becomes a larger-than-life canvas for this brilliant saga. The year is 1522. Two great leaders, twenty-five-year-old Suleiman the Magnificent, the absolute ruler of the mighty Ottoman Empire, and Philippe de L'Isle Adam, the grisly, fifty-eight-year-old Grand Master of the Knights of Rhodes, come to war on the Greek island of Rhodes. For 145 days, Philippe and 500 European Knights fight to protect their fortified city and withstand an assault of nearly 200,000 men from Suleiman's army, in a battle that becomes the historic hallmark for siege warfare. Authentic in all its historical detail, The Shadow of God evokes a seismic clash of cultures: Muslim versus Christian, the Ottoman Empire versus the last remaining Knights of the Crusades and, most important, two of the most powerful men of their time. Embedded in this fictional account is the secret marriage of a lovely Jewish nurse to her Christian French Knight, as well as the forbidden love of the Grand Master for the beautiful Helene. An epic of bravery and courage, The

Shadow of God weaves a tapestry of beauty, terror and triumph set in a forgotten time of brutality and courage, loyalty and honor. "So vividly rendered that historical fiction fans and medieval history enthusiasts will be crossing their fingers for a follow-up."-Publishers Weekly "An engaging and well-written fictional account of the Ottoman Turks' 145-day siege of the Greek island of Rhodes."-Library Journal Go beyond the realm of your natural senses to the Shifting Shadows of Supernatural Experiences. Jesus is bigger than all of us. His power and ways transcend our understanding. But if we are to grow in all He has for us, we need to tap into what the Holy Spirit has for us today. This book is filled with actual experiences from church history, and modern-day testimonies that are all grounded in the Word of God. In Nietzsche and the Shadow of God (Nietzsche et l'ombre de Dieu), his study of Nietzsche's integral philosophical corpus, Franck revisits the fundamental concepts of Nietzsche's thought, from the death of God and the will to power, to the body as the seat of thinking and valuing, and finally to his conception of a post-Christian justice. The work engages Heidegger's interpretation of Nietzsche's destruction of the Platonic-Christian worldview, showing how Heidegger's hermeneutic overlooked Nietzsche's powerful confrontation with revelation and justice by working through the Christian body, as set forth in the Epistles of Saint Paul and reread both by Martin Luther and by German Idealism. Franck shows systematically how Nietzsche "transvalued" the metaphysical tenets of the Christian body of believers. In so doing, he provides an unparalleled demonstration of the coherence of Nietzsche's project and the ways in which the revaluation of values, amor fati, and the trials of eternal recurrence reshape the living self toward a creative existence beyond original sin—indeed, beyond an ethics of "good" versus "evil." Bergo and Farah's clear translation introduces this work to an English-speaking audience for the first time. The New York Times bestselling security droid with a heart (though it wouldn't admit it!) is back in Fugitive Telemetry! Having captured the hearts of readers across the globe (Annalee Newitz says it's "one of the most humane portraits of a nonhuman I've ever read") Murderbot has also established Martha Wells as one of the great SF writers of today. No, I didn't kill the dead human. If I had, I wouldn't dump the body in the

station mall. When Murderbot discovers a dead body on Preservation Station, it knows it is going to have to assist station security to determine who the body is (was), how they were killed (that should be relatively straightforward, at least), and why (because apparently that matters to a lot of people—who knew?) Yes, the unthinkable is about to happen: Murderbot must voluntarily speak to humans! Again! A new standalone adventure in the New York Times–bestselling, Hugo and Nebula Award winning series! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. From the Earth to the Shadows is the epic sequel to *Between the Blade and the Heart*, a gripping adventure of duty versus romance from Amanda Hocking, author of the Trylle trilogy and the Kanin Chronicles. Malin's mission to avenge her mother's murder has uncovered dangerous secrets. As a Valkyrie-in-training, Malin must slay immortals who've had their time, to maintain balance between humans and immortals. But her quest could destroy earth's stability – and unleash chaos. Just when she needs to focus, her friend Asher is in grave danger. He's been dragged into the underworld, where vengeful immortals plot revolution. Malin believes her feelings mustn't distract from her goal – but is desperate to rescue him. So she ventures into the darkest of realms, knowing she may not survive. With new allies at her side and new enemies ahead, Malin will face terrible choices. She'll have to keep her head – or be ruled by her heart. The Mayan god of death sends a young woman on a harrowing, life-changing journey in this dark, one-of-a-kind fairy tale inspired by Mexican folklore. "A spellbinding fairy tale rooted in Mexican mythology . . . Gods of Jade and Shadow is a magical fairy tale about identity, freedom, and love, and it's like nothing you've read before."—Bustle NEBULA AWARD FINALIST • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • Tordotcom • The New York Public Library • BookRiot The Jazz Age is in full swing, but Casiopea Tun is too busy cleaning the floors of her wealthy grandfather's house to listen to any fast tunes. Nevertheless, she dreams of a life far from her dusty small town in southern Mexico. A life she can call her own. Yet this new life seems as distant as the stars, until the day she finds a curious wooden box in her grandfather's room. She opens it—and accidentally frees the spirit of the Mayan god of death, who

requests her help in recovering his throne from his treacherous brother. Failure will mean Casiopea's demise, but success could make her dreams come true. In the company of the strangely alluring god and armed with her wits, Casiopea begins an adventure that will take her on a cross-country odyssey from the jungles of Yucatán to the bright lights of Mexico City—and deep into the darkness of the Mayan underworld. Praise for *Gods of Jade and Shadow* "A dark, dazzling fairy tale . . . a whirlwind tour of a 1920s Mexico vivid with jazz, the memories of revolution, and gods, demons, and magic."—NPR "Snappy dialog, stellar worldbuilding, lyrical prose, and a slow-burn romance make this a standout. . . . Purchase where Naomi Novik, Nnedi Okorafor, and N. K. Jemisin are popular."—Library Journal (starred review) "A magical novel of duality, tradition, and change . . . Moreno-Garcia's seamless blend of mythology and history provides a ripe setting for Casiopea's stellar journey of self-discovery, which culminates in a dramatic denouement. Readers will gladly immerse themselves in Moreno-Garcia's rich and complex tale of desperate hopes and complicated relationships."—Publishers Weekly (starred review) The Mayan god of death sends a young woman on a harrowing, life-changing journey in this dark fairy tale inspired by Mexican folklore. Dreaming of a new life seems as distant as the stars, until the day Casiopea finds a curious wooden box in her grandfather's room. She opens it--freeing the spirit of the Mayan god of death, who requests her help in recovering his throne from his treacherous brother.ther. With the sunlight fading on Earth and two warring factions vying for control of the twilight, three people leave on a quest to return light to the world. Reprint. "Eternity can never fathom the depth of love revealed in the cross of Calvary," writes Haskell. "It was there that the infinite love of Christ and the unbounded selfishness of Satan stood face to face. The entire system of Judaism, with its types and symbols, was a shadow of the cross, extending from Calvary back to the gate of Eden, and contained a compacted prophecy of the gospel." AMERICAN GODS by international bestseller, and creator of Sandman, Neil Gaiman is an award-winning epic novel, highly acclaimed major TV series starring Ricky Whittle, Ian McShane and Gillian Anderson and now, for the first time, adapted in stunning comic book form. This is the first of three bind-up editions. 'A must for any fan of American Gods or the work of Neil Gaiman... [sitting] alongside the TV series and the novel as another way to tackle and understand Gaiman's deep, rich narrative' Starburst Shadow Moon gets out of jail only to discover his wife is dead. Defeated, broke and uncertain where to go from here, he meets the mysterious Mr. Wednesday, who employs him to serve as his bodyguard - thrusting Shadow into a deadly world where ghosts of the past come back from the dead, and a god war is imminent. People don't abandon faith because they have doubts. People abandon faith because they think they're not allowed to have doubts. Even as a pastor, Austin Fischer has experienced the shadows of doubt and disillusionment. Leaning into perennial questions about Christianity, he shows that doubt is no reason to

leave the faith—instead, it's an invitation to a more honest faith. Benjamin Franklin and Red Shoes, the Choctaw shaman, join forces with Adrienne de Montchevreuil, a magic-wielding French aristocrat, to defeat the Sun Boy and the armies of the Malakim. For fans of bestselling WWII fiction comes a powerful novel from Lynn Austin about three women whose lives are instantly changed when the Nazis invade the neutral Netherlands, forcing each into a complicated dance of choice and consequence. Lena is a wife and mother who farms alongside her husband in the tranquil countryside. Her faith has always been her compass, but can she remain steadfast when the questions grow increasingly complex and the answers could mean the difference between life and death? Lenas daughter Ans has recently moved to the bustling city of Leiden, filled with romantic notions of a new job and a young Dutch police officer. But when she is drawn into Resistance work, her idealism collides with the dangerous reality that comes with fighting the enemy. Miriam is a young Jewish violinist who immigrated for the safety she thought Holland would offer. She finds love in her new country, but as her family settles in Leiden, the events that follow will test them in ways she could never have imagined. The Nazi invasion propels these women onto paths that cross in unexpected, sometimes-heartbreaking ways. Yet the story that unfolds illuminates the surprising endurance of the human spirit and the power of faith and love to carry us through. "One of the greatest sources of prophetic vision is found by better understanding our past," says Rick Joyner. "I studied Christ's interaction with the apostles as well as the life of the early church to be obedient to a heavenly vision in which I was told that I would not be able to accurately foresee the future until I understood the past." In this important book Joyner looks at the life and ministry of the apostles and of later generations so that Christians today can close the openings the enemy has used to gain entry and do his deadly work. He examines the successes and failures of Christians of the past so we can better understand how to be God's servants today. A dead god. A brutal murder. A second-rate mage. It was only supposed to be one little job - a simple curse-breaking for Mennik Thorn to pay back a favour to his oldest friend. But then it all blew up in his face. Now he's been framed for a murder he didn't commit. So how is a second-rate

mage, broke, traumatized, and with a habit of annoying the wrong people, supposed to prove his innocence when everyone believes he's guilty? Mennik has no choice if he wants to get out of this: he is going to have to throw himself into the corrupt world of the city's high mages, a world he fled years ago. Faced by supernatural beasts, the mage-killing Ash Guard, and a ruthless, unknown adversary, it's going to take every trick Mennik can summon just to keep him and his friend alive. But a new, dark power is rising in Agatos, and all that stands in its way is one damaged mage... Reviews "Fast-paced, quick-witted, deftly plotted and as well-thought-out as it is well-written. Highly recommended, and I'm already looking forward to the next one." - Juliet E. McKenna, Author of *The Tales of Einarinn*, *The Aldabreshin Compass*, and *The Green Man's Heir* "Shadow of a Dead God contains the snarky, disillusioned, diamond-in-the-rough, down-at-heels, determined and fiercely loyal mage-detective your TBR desperately needs! "Recommended for readers of *The Lies of Locke Lamora* and anyone who loves fantasy mystery starring a delightfully reluctant, unlikely, foul-mouthed and golden-hearted hero." - Katrina Middelburg, Read. Ruminare. Write. The author invites readers to witness the exploration on religion that he undertook after being diagnosed with an aggressive, and likely fatal, form of cancer. 'A masterfully crafted, brutally compelling Norse-inspired epic' Anthony Ryan **THE GREATEST SAGAS ARE WRITTEN IN BLOOD**. A century has passed since the gods fought and drove themselves to extinction. Now only their bones remain, promising great power to those brave enough to seek them out. As whispers of war echo across the land of Vigrið, fate follows in the footsteps of three warriors: a huntress on a dangerous quest, a noblewoman pursuing battle fame, and a thrall seeking vengeance among the mercenaries known as the Bloodsworn. All three will shape the fate of the world as it once more falls under the shadow of the gods. Set in a brand-new, Norse-inspired world, and packed with myth, magic and bloody vengeance, *The Shadow of the Gods* begins an epic new fantasy saga from bestselling author John Gwynne. Further praise for *The Shadow of the Gods* 'Visceral, heart-breaking and unputdownable' Jay Kristoff 'A satisfying and riveting read. The well-realised characters move against a backdrop of a world stunning in its immensity. It's everything I've come to expect from a

John Gwynne book' Robin Hobb 'A masterclass in storytelling . . . epic, gritty fantasy with an uncompromising amount of heart' FanFiAddict 'Quintessential Gwynne honed to perfection . . . The Shadow of the Gods is absolutely stunning, one hell of an epic series opener and a spectacular dose of Viking-flavoured fantasy' The Tattooed Book Geek 'Reminds me of all that I love in the fantasy genre. The Shadow of the Gods is an action-packed cinematic read' Fantasy Hive

Craig Johnson had two best friends, two caring parents, a hot girlfriend, and a nice truck--not bad for a twenty-year-old. A decent life, until he began hearing voices in his bedroom late at night. Then a bright blue light manifests from within his closet. And he is drawn to it, mystified by its beauty. He walks through the light ... and into a world of darkness and emptiness, where he learns of a fabled Shadow God, an entity that wants him dead. Murders spring up in the neighborhood, and the local detective is quick to put the blame on Craig and his friends. Through Craig's sinister encounters with the Shadow God and his constant run in with the law, he discovers he is part of something great--a reincarnation maybe--that takes him back to the first murder of the world. Shadow is a man with a past. But now he wants nothing more than to live a quiet life with his wife and stay out of trouble. Until he learns that she's been killed in a terrible accident. Flying home for the funeral, as a violent storm rocks the plane, a strange man in the seat next to him introduces himself. The man calls himself Mr. Wednesday, and he knows more about Shadow than is possible. He warns Shadow that a far bigger storm is coming. And from that moment on, nothing will ever be the same...

The Ottoman Empire was a hub of flourishing intellectual fervor, geopolitical power, and enlightened pluralistic rule. At the helm of its ascent was the omnipotent Sultan Selim I (1470-1520), who, with the aid of his extraordinarily gifted mother, Gülbahar, hugely expanded the empire, propelling it onto the world stage. Aware of centuries of European suppression of Islamic history, Alan Mikhail centers Selim's Ottoman Empire and Islam as the very pivots of global history, redefining such world-changing events as Christopher Columbus's voyages - which originated, in fact, as a Catholic jihad that would come to view Native Americans as somehow "Moorish" - the Protestant Reformation, the transatlantic slave trade, and the dramatic Ottoman seizure of the

Middle East and North Africa. Drawing on previously unexamined sources and written in gripping detail, Mikhail's groundbreaking account vividly recaptures Selim's life and world. An historical masterwork, *God's Shadow* radically reshapes our understanding of a world we thought we knew. A leading historian of his generation, Alan Mikhail, Professor of History and Chair of the Department of History at Yale University, has reforged our understandings of the past through his previous three prize-winning books on the history of Middle East.

Everything has a price. In the kingdom of Axaria, a darkness has fallen. After defeating the evil mother who summoned an immortal demon to kill her, newly coronated Queen Asterin Faelenhart should have every reason to celebrate. Her kingdom is safe, forbidden magic eradicated, and her friends are alive. Except Asterin's triumph has come at a devastating cost—forced to choose between a lifelong friend and true love, she's lost both. But the shadows in Axaria have begun to stir once again, and no one is more starved for vengeance than Asterin ... Yet it soon becomes clear that the shadows plaguing her kingdom are just the beginning. Another realm coexists with the mortal world—the beautiful, nightmarish Immortal Realm ruled by the wicked God of Shadow, King Eoin. When their paths entwine, Asterin realizes that Eoin possesses exactly what—and who—she seeks most. And the fates of all those that she holds dear—Orion, her missing Guardian; Luna, the friend she could not save; Harry, the demon who saved them all; and Quinlan, her beloved broken prince—ultimately rest in the god's hands. But in a world of magic, not everyone is always as they seem. When shocking discoveries threaten everything and everyone that Asterin has sworn her life to protect, she won't be the only person forced to make a choice ... a choice that will change the mortal world forever. And maybe even destroy it. After wandering in this world for seventy-two years, I knew God has a special place in His heart where I abide for He saw value in me. *Walking in the Shadow of God* was in the making for thirty-five years. God took His time in answering some of his prayers for he needed to be ready to hear the truth. There are things in this book that's not been talked about or known until now. All that read this book will be blessed. A lot of tears of joy were shed writing this book. *The Hunger of the Gods* continues John Gwynne's acclaimed Norse-inspired epic fantasy series, packed

with myth, magic and bloody vengeance THE DEAD GODS ARE RISING . . . Lik-Rifa, the dragon god of legend, has been freed from her eternal prison. Now she plots a new age of blood and conquest. As Orka continues the hunt for her missing son, the Bloodsworn sweep south in a desperate race to save one of their own - and Varg takes the first steps on the path of vengeance. Elvar has sworn to fulfil her blood oath and rescue a prisoner from the clutches of Lik-Rifa and her dragonborn followers, but first she must persuade the Battle-Grim to follow her. Yet even the might of the Bloodsworn and Battle-Grim cannot stand alone against a dragon god. Their hope lies within the mad writings of a chained god. A book of forbidden magic with the power to raise the wolf god Ulfrir from the dead . . . and bring about a battle that will shake the foundations of the earth. Praise for The Bloodsworn series: 'A masterfully crafted, brutally compelling Norse-inspired epic' Anthony Ryan 'Visceral, heart-breaking and unputdownable' Jay Kristoff 'A satisfying and riveting read. The well-realised characters move against a backdrop of a world stunning in its immensity' Robin Hobb 'A masterclass in storytelling . . . epic, gritty fantasy with an uncompromising amount of heart' FanFiAddict 'Quintessential Gwynne honed to perfection . . . The Shadow of the Gods is absolutely stunning, one hell of an epic series opener and a spectacular dose of Viking-flavoured fantasy' The Tattooed Book Geek 'Reminds me of all that I love in the fantasy genre. The Shadow of the Gods is an action-packed cinematic read' Fantasy Hive A breathtaking talent makes her debut with this first book in a dark epic fantasy trilogy, The Bound Gods, in which a mismatched band of mortals led by a violent, secretive man must stand against a pair of resentful gods to save their world. Part Patrick Rothfuss, part Joe Abercrombie, magic and warfare collide in this powerful struggle for a broken world. Eons ago, a pair of gods known as the Twins grew powerful in the world of Fiatera, until the Divine Mother and Almighty Father exiled them, binding them deep in the earth. But the price of keeping the fire lands safe is steep. To prevent these young gods from rising again, all twins in the land must be killed at birth, a safeguard that has worked until now. Trapped for centuries, the Twins are gathering their latent powers to break free and destroy the Parents for their tyranny—to set off a fight between two generations of gods for control of the world

and the mortals who dwell in it. When the gods make war, only one side can be victorious. Joros, a mysterious and cunning priest, has devised a dangerous plan to win. Over eight years, he gathers a team of disparate fighters—Scal, a lost and damaged swordsman from the North; Vatri, a scarred priestess who claims to see the future in her fires; Anddyr, a drug-addled mage wandering between sanity and madness; and Rora and Aro, a pair of twins who have secretly survived beyond the reach of the law. These warriors must learn to stand together against the unfathomable power of vengeful gods, to stop them from tearing down the sun . . . and plunging their world into darkness.

is not interested in prophesy. The problem is that a doozy of a prophesy is bearing down on her. Such is the case when you're a twenty-four-year-old from Brooklyn, New York who is about to discover she is an ancient god. A truly powerful one. And with power comes problems. A truly formidable demon is gunning for her; a zombie-like pandemic is spreading across the country, creating creatures who are hungry for flesh, fast on their feet and clever; and there is the mysterious, handsome stranger with powers of his own who claims to have been her lover from a time and a life that Eden cannot remember. He promises to help awaken her powers for the upcoming war. A war where there is only one prize: survival...in *Daughter of Gods and Shadows* from debut author Jayde Brooks.

What do shadows mean to you? Do they stand as problems, or as opportunities in disguise? You can turn frustration, fear, and defeat into triumph, and God can use the shadows to help you reach ultimate goals. Neil Gaiman's acclaimed story now in comics! This supernatural American road trip fantasy tells the story of a war between the ancient and modern gods. The Hugo, Bram Stoker, Locus, World Fantasy, and Nebula award-winning novel and new Starz television series by Neil Gaiman is adapted as a graphic novel for the first time! The first in a three-volume adaptation of Neil Gaiman's modern classic! *Shadow Moon* gets out of jail only to discover his wife

is dead. Defeated, broke, and uncertain where to go from here, he meets the mysterious Mr. Wednesday, who employs him to serve as his bodyguard--thrusting Shadow into a deadly world where ghosts of the past come back from the dead, and a god war is imminent. Collecting the first nine issues of the American Gods comic book series, along with art process features, high res scans of original art, layouts, character designs, and variant covers by BECKY CLOONAN, SKOTTIE YOUNG, FÁBIO MOON, DAVE MCKEAN, and MORE! How can we use the experience of darkness to lift our spirits, challenge our hearts and minds and draw us closer into the heart of God? From the acclaimed Wolfson Prize-winning author, a dazzling history of the world's emperors For millennia much of the world was ruled by emperors: a handful of individuals claimed no limit to the lands they could rule over and no limit to their authority. They operated beyond normal human constraint and indeed often claimed a superhuman or divine authority. In practice they ran the gamut from being some of the most remarkable men who ever lived, to being some of the worst and least remarkable. Dominic Lieven's marvellous new book, *In the Shadow of the Gods*, is the first to grapple seriously with this extraordinary phenomenon. Across the world peoples, willingly or unwillingly, fell into orbit around figures who reshaped or destroyed entire societies, imposed religions and invaded rivals. Lieven describes the anatomy of imperial monarchy and the principles by which it functioned. He compares the great emperors of antiquity, the caliphs and the warrior-emperors of the steppe before he turns to the Habsburg, Russian, Ottoman, Mughal and Chinese emperors, packing the book with extraordinary stories, astute observations and a sense of both delight and horror at these individuals' antics. The entire breadth of extreme human behaviour is here - from warlords to patrons of the arts, from political genius to feeble incapacity and pathological violence. As one of the great experts both on empires and on Russian history, Lieven is brilliantly qualified to write a book that brings to life a system of rule that dominated most of human history, as well as some of history's grandest and most dismaying figures. As ruthless Russian forces lay waste to the New World, English troops in the east are determined to reconquer the colonies. Benjamin Franklin and his allies are trapped in between the Russian

and English forces. But balance of power rests with a French woman whose secret may reveal where her true allegiance lies. This edition features a new prologue. The heartfelt memoir of Ravi Zacharias. Follow along with his journey to discover that God is the author of our destinies, no matter how dark the shadows that hide the light. Ravi Zacharias lived an extraordinary life. In this touching memoir, Zacharias shares an intimate look into his formative years, inviting you to follow him all the way back to his roots and journey with him through his life: to see and smell the neighborhood in India where he grew up, to feel a mother's love and the consternation of a harsh father, and the lure of friends and sports. He also tells about his long search for truth in wrestling with Eastern thought and the newer ideas of Christianity, the cry for help in a dark moment when he tried to take his own life--and the dramatic turning point that led to a life lived for Christ. Zacharias recalls his early days as a new convert, what it was like to find a new life in the Western world, and the eventual birth and growth of a worldwide ministry. He has traveled from the East to the West, and then back again to answer skeptics' penetrating questions about the meaning of life and the existence of a God who is there for his children. This is a story about an amazing man. Yet it is also everyone's story about belief--how it begins, how it grows, and the struggles associated with it.
