**Tiger Trap** Aug 02 2020 "A stunningly detailed history . . . from sexy socialite double agents to 'kill switches' implanted offshore in the computer chips for our electric grid" (R. James Woolsey, former director of Central Intelligence). For decades, while America obsessed over Soviet spies, China quietly penetrated the highest levels of government. Now, for the first time, based on numerous interviews with key insiders at the FBI and CIA as well as with Chinese agents and people close to them, David Wise tells the full story of China's many victories and defeats in its American spy wars. Two key cases interweave throughout: Katrina Leung, code-named Parlor Maid, worked for the FBI for years even after she became a secret double agent for China, aided by love affairs with both of her FBI handlers. Here, too, is the inside story of the case, code-named Tiger Trap, of a key Chinese-American scientist suspected of stealing nuclear weapons secrets. These two cases led to many others, involving famous names from Wen Ho Lee to Richard Nixon, stunning national security leaks, sophisticated cyberspying, and a West Coast spy ring whose members were sentenced in 2010. As concerns swirl about US-China relations and the challenges faced by our intelligence community, Tiger Trap provides an important overview from "America's premier writer on espionage" (The Washington Post Book World). "Wise's conclusion is sobering—China's spying on America is ongoing, current, and shows no signs of diminishing—and his book is a fascinating history of Chinese espionage." —Publishers Weekly "A fact-filled inside account, with sources named and no one spared." —Seymour M. Hersh

**Strategic Management: Concepts and Cases: Competitiveness and Globalization** Mar 09 2021 Introduce your students to strategic management with the market-leading text that sets the standard for the course area. Written by respected scholars who have taught strategic management at all educational levels, Hitt, Ireland, and Hoskisson's latest edition provides an intellectually rich, yet thoroughly practical, analysis of strategic management. The classic industrial organization model is combined with a resource-based view of the firm to provide students with a complete understanding of how today's businesses establish competitive advantages and create value for stakeholders. Cutting-edge research is presented with a strong global focus, featuring more than 500 emerging and established companies. All-new opening cases introduce chapter concepts and mini cases offer new contexts of study. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

*Freighters of Manitowoc* Oct 28 2022 In John 17:20-21 Jesus prayed, "My prayer for all of them is that they will be one, just as you and I are one, Father--that just as you are in me and I am in you, so they will be in us, and the world will believe you sent me." (NLT) The Christian church continues to find points of contingency by which they justify their divisions. Many do not realize that it is not the Spirit of God under which they operate, but a subtle counterfeit named Religion. The Spirit of Religion has been the greatest opposition of the Christian Church since its inception. It was the "religious" leaders of Jesus' day who were influenced by this spirit and continually sought to discredit Christ and his teachings. Those who were bound by this spirit sought to silence Christ, and eventually found cause to kill Him. This same spirit at work today continues to cause division, among Christians as well as between Christians and non-Christians. This book has been written to expose the evil influence that Satan has had upon the Christian church under the guise of religion and to release those who have been bound by religions chains by establishing a true relationship with God. Issues addressed in this book include: What is the Spirit of Religion? What is the difference between church doctrine and sin? Why do Christians judge? What does it mean to "be ye separate?" What does the Bible say about those who are Tattooed or Pierced? What is the difference between having a religion and experiencing a relationship with God?
